### ENROLLMENT RESERVATION FORM

A complete packet of registration forms is required for each student when classes begin **no exceptions!! A rider may not be put on a horse without their forms complete.**

1. Complete the information below and return it with the **\$20 fee**. All other forms are due on the **first day of class.** However, the instructors would like the forms before class so they can be carefully looked over. They may be mailed to the instructor or the farm. If you are mailing to the instructor call Lynn at 891-8066 to get the address.

2. **To enroll a rider for the first time.**

A. Parents/Riders should complete the Rider Registration and Emergency Treatment, (RR1) Parent/Guardian/Adult Rider Informed Consent and Release Liability Agreement, and Parent/Guardian-Adult Rider Video, Film and Photography Release Form. (RR1, RR2, & RR3)

B. Physician's Referral Form (RR4) must be completed by your **Doctor**. Usually, this referral can be filled out by the doctor's office without an additional visit by your child. **We have a weight limit of 225 lbs.**

C. If the rider has Down Syndrome, a form stating the rider does not have ADC is required before he/she may ride. The form is on the back of the Physical Referral (RR5)

D. The Physical or Occupational Therapy Form is to be filled out for the rider, who is under the supervision of a Physical or Occupational Therapist, and/or Teacher Assessment. (RR6) A copy of the Special Olympics Physical may be used. This policy has changed because the Special Olympic for now lists horseback riding as an activity.

**However, the form is only good for the first year.**

3. Forms are good for one year, but must be updated through the end of the session. (Check with Lynn if you are not sure they are current.)

4. To reserve a spot, send the Enrollment Reservation Form and a \$20 check to:

Kent Special Riding Program  
c/o Lynn Schumacher  
9705 Morse Lake Ave.  
Alto, MI 49302

The others (RR1-RR6) may be mailed in later or brought to the first day of class. Checks will not be cashed until the student rides.

**RIDE-A-THON OCTOBER 1, 2011**

We may cancel classes due to severe weather or excessive heat. We will call you to notify you of a cancellation. If you are in doubt call the barn (891-0057) or Lynn (891-8066). Although our horses are normally quiet and well behaved, they can sometimes be unpredictable. If a horse is exhibiting unsafe behavior before or during a class, it will be removed from the class and replaced with another horse. This may shorten a rider's ride time, but safety must be considered first and foremost.

The Kent Special Riding Program has special needs for people to help out in many areas. The \$20.00 registration fee only partly covers the actual program cost. The average cost/rider/session in 2010 was approximately \$162.00. We are now approximately short \$11,000.00 to fund the 2011 year.

The 2011 fee per student is \$20.00. We have found that our funds have run short for the 2011 year and we must increase the fee. The fee has been \$10.00 since 1979. The actual cost is \$162.00 a rider per session. The program is funded by donations from organizations and private individuals, plus fund raising events sponsored by the Kent Special Riding Program Board of Directors.
